

APRIL SOUND, SECTION ONERESERVATIONS, RESTRICTIONS AND COVENANTS

STATE OF TEXAS §
 KNOW ALL MEN BY THESE PRESENTS:
 COUNTY OF MONTGOMERY §

That Southwestern Savings Association (hereinafter called "Developer") being the owner of that certain tract of land described on Exhibit "A" which annexed hereto, incorporated by reference herein and made a part hereof for all purposes, which has heretofore been platted into that certain subdivisions known as "April Sound, Section One" according to the plat of said subdivision recorded in the office of the County Clerk of Montgomery County, Texas, on the 12th day of December, 1972, after having been approved as provided by law, and being recorded in Volume 10, Page 72, of the Map Records of Montgomery County, Texas, and desiring to create and carry out a uniform plan and scheme for the improvement, development and sale of property in said April Sound, Section One (hereinafter referred to as "The Subdivision"), does hereby adopt, establish, promulgate and impress the following Reservations, Restrictions and Covenants, which shall be and are hereby made applicable to the Subdivision, except the areas marked "Reserves 'A', 'D', 'F', 'O' and 'P'" on the recorded plat, which areas are not restricted or affected in any manner whatsoever by this instrument.

I.

General Provisions

1.01. Each Contract, Deed or Deed of Trust which may be hereinafter executed with respect to any property in the Subdivision shall be deemed and held to have been executed, delivered and accepted subject to all of the provisions of this instrument, including, without limitation the Reservations, Restrictions and Covenants herein set forth, regardless of whether or not any of such provisions are set forth in said Contract, Deed or Deed of Trust, and whether or not referred to in any such instrument.

1.02. The utility easements and building set back lines shown on the plat referred to above or dedicated subject to the reservations hereinafter set forth.

1.03.a. The utility easements shown on the recorded plat are dedicated with the reservation that such utility easements are for the use and benefit of any public utility operating in Montgomery County, Texas, as well as for the benefit of the Developer and the property owners in the Subdivision to allow for the construction, repair, maintenance and operation of a system or systems of electric light and power, telephone lines, gas, water, sanitary sewers, storm sewers and any other utility or service which the Developer may find necessary or proper.

b. The title conveyed to any property in the Subdivision shall not be held or construed to include the title to the water, gas, electricity, telephone, storm sewer or sanitary sewer lines, poles, pipes, conduits or other appurtenances or facilities constructed by the Developer or public utility companies upon, under, along, across or through such public utility easements; and the right (but no obligation) to construct, maintain, repair and operate such systems, utilities, appurtenances and facilities is reserved to the Developer, its successors and assigns.

c. The right to sell or lease such lines, utilities, appurtenances or other facilities to any municipality, governmental agency, public service corporation or other party is hereby expressly reserved to the Developer.

d. The Developer reserves the right to make minor changes in and minor additions to such utility easements for the purpose of more efficiently serving the Subdivision or any property therein.

e. Neither the Developer, nor its successors or assigns, using said utility easements shall be liable for any damage done by any of such parties or any of their agents or employees to shrubbery, trees, flowers or other property of the land owner situated on the land covered by said utility easements.

f. The Developer reserves the right to construct one or more esplanades in the areas where esplanades are shown on the recorded plat. The Developer further reserves the right to improve, landscape, alter, modify and eliminate any one or more of such esplanades (or reinstall one or more of such esplanades) at any time, and from time to time, hereafter.

g. The Developer reserves the right at any time, and from time to time, hereafter to promulgate and impose restrictions (as well as vary and amend any such restrictions) as to all or any portion of the unrestricted areas of the Subdivision identified on the aforesaid plat. Any such action by the Developer shall not, in order to be fully binding, require the joinder of any other person, whether such person be an owner of property in the Subdivision, a lienholder, a mortgagee, a Deed of Trust beneficiary or any other person.

h. The areas marked "Restricted Reserve" on the recorded plat are restricted for use as Golf Course or other recreational facilities and uses as may be determined by Developer, and are dedicated to such use for members of the April Sound Golf Club, their guests and such other persons as may be allowed use thereof by the Board of Directors of the April Sound Recreational Corporation.

Duration

1.04. The provisions hereof, including the Reservations, Restrictions and Covenants herein set forth, shall run with the land and shall be binding upon the Developer, its successors and assigns, and all persons or parties claiming under it or them for a period of thirty-five (35) years from the date hereof, at which time all of such provisions shall be automatically extended for successive periods of ten (10) years each, unless prior to the expiration of the initial period of thirty-five (35) years or a successive period of ten (10) years, the then owners of a majority of lots in the Subdivision shall have executed and recorded an instrument changing the provisions hereof, in whole or in part, the provisions of said instrument to become operative at the expiration of the particular period in which such instrument is executed and recorded, whether such particular period be the aforesaid thirty-five (35) year period or any successive ten (10) year period thereafter.

Enforcement

1.05. In the event of any violation or attempted violation of any of the provisions hereof, including any of the Reservations, Restrictions or Covenants herein contained, enforcement shall be authorized by any proceedings at law or in equity against any person or persons violating or attempting to violate any of such provisions, including proceedings to restrain or prevent such violation or attempted violation by injunction, whether prohibitive in nature or mandatory in commanding compliance with such provisions; and it shall not be a prerequisite to the granting of any such injunction to show inadequacy of legal remedy or irreparable harm. Likewise, any person entitled to enforce the provisions hereof may recover such damages as such person has sustained by reason of the violation of such provisions. It shall be lawful for the Developer or for any person or persons owning property in the Subdivision (or in any other Section of April Sound) to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any of such provisions.

Partial
Invalidity

1.06. In the event that any portion of the provisions hereof shall become or be held invalid, whether by reason of abandonment, waiver, estoppel, judicial decision or otherwise, such partial invalidity shall not affect, alter or impair any other provision hereof which was not thereby held invalid; and such other provisions, including Restrictions, Reservations and Covenants shall remain in full force and effect, binding in accordance with their terms.

Effect of
Violations
on Mortgagees

1.07. No violation of the provisions herein contained, or any portion thereof, shall affect the lien of any Mortgage or Deed of Trust presently or hereafter placed of record or otherwise affect the rights of the Mortgagee under any such Mortgage, holder of any such lien or beneficiary of any such Deed of Trust; and any such Mortgage, lien or Deed of Trust may, nevertheless, be enforced in accordance with its terms, subject, nevertheless, to the provisions herein contained, including said Reservations, Restrictions and Covenants.

II.

Architectural Control

Basic Rule

2.01.a. No building or other improvements of any character shall be erected or placed, or the erection or placing thereof commenced, or changes made in the design thereof or any addition made thereto or exterior alteration made therein after original construction, on any property in the Subdivision until the obtaining of the necessary approval (as hereinafter provided) of the construction plans and specifications and a plat showing the location of such building or other improvements. Approval shall be granted or withheld based on matters of compliance with the provisions of this instrument, quality of materials, harmony of external design with existing and proposed structures and location with respect to topography and finished grade elevation.

2.01.b. Each application made to the architectural control authority (whether Developer or Architectural Control Committee) shall be accompanied by two sets of plans and specifications including plot plans showing the location on the lot and dimensions of walls, driveways, curb cuts and all other matters relevant to architectural approval.

Architectural
Control Authority

2.02. a. The authority to grant or withhold architectural control approval as referred to above is vested in the Developer; except, however, that such authority of the Developer shall cease and terminate upon the election of the April Sound Architectural Control Committee, in which event such authority shall be vested in and exercised by the April Sound Architectural Control Committee (as provided in b. below), hereinafter referred to, except as to plans and specifications and plats theretofore submitted to the Developer which shall continue to exercise such authority over all such plans, specifications and plats.

b. At such time as all of the lots in the Subdivision and in all other Sections of April Sound (as platted, from time to time, hereafter) shall have been sold by the Developer, then the Developer shall cause a Statement of such circumstances to be placed of record in the Deed Records of Montgomery County, Texas. Thereupon, the lot owners in April Sound may by vote, as hereinafter provided, elect a committee of three (3) members to be known as the April Sound Architectural Control Committee (herein referred to as the "Committee"). Each member of the Committee must be an owner of property in some Section of April Sound. Each lot owner shall be entitled to one (1) vote for each whole lot or building site owned by that owner. In the case of any building site composed of more than one (1) whole lot, such building site owner shall be entitled to one (1) vote for each whole lot contained within such building site.

The Developer shall be obligated to arrange for the holding of such election within sixty (60) days following the filing of the aforesaid Statement by the Developer in the Deed Records of Montgomery County, Texas, and give notice of the time and place of such election (which shall be in Montgomery County, Texas) not less than five (5) days prior to the holding thereof. Nothing herein shall be interpreted to require that the Developer actually file any such Statement so long as it has not subdivided and sold the entirety of the property described on attached Exhibit "A", nor to affect the time at which the Developer might take such action if, in fact, the Developer does take such action.

Votes of owners shall be evidenced by written ballot furnished by the Developer (or the Committee, after the initial election) and the Developer (or the Committee, after the initial election) shall maintain said ballots as a permanent record of such election for a period of not less than four (4) years after such election. Any owner may appoint a proxy to cast his ballot in such election, provided that his written appointment of such proxy is attached to the ballot as a part thereof.

The results of each such election shall promptly be determined on the basis of the majority of those owners then voting in such election.

The results of any such election and of any removal or replacement of any member of the Committee may be evidenced by the recording of an appropriate instrument properly signed and acknowledged in behalf of the Developer or by a majority of the then property owners voting in such election.

After the first such election shall have been held, thereafter the Committee shall be obligated to arrange

for elections (in the manner and after notice as set forth above) for the removal and/or replacement of Committee members when so requested in writing by thirty (30) or more lot owners in the Subdivision. Members of the Committee may, at any time, be relieved of their position and substitute members therefor designated by vote as set forth above.

Upon the death, resignation, refusal or inability of any member of the Committee to serve, the remaining members of the Committee shall fill the vacancy by appointment, pending an election as hereinabove provided for.

If the Committee should fail or refuse to take any action herein provided to be taken by the Committee with respect to setting elections, conducting elections, counting votes, determining results and evidencing such results, or naming successor Committee members, and such failure or refusal continues for a period which is unreasonably long (in the exclusive judgment of the Developer, then the Developer may validly perform such function).

c. The members of the Committee shall be entitled to such compensation for services rendered and reimbursement for reasonable expenses incurred as may, from time to time, be authorized or approved by the Developer. All such sums payable as compensation and/or reimbursement shall be payable only out of the "Maintenance Fund", hereinafter referred to.

Effect of Inaction

2.03. Approval or disapproval as to architectural control matters as set forth in the preceding provisions shall be in writing. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plat submitted to it in compliance with the preceding provisions within thirty (30) days following such submission, such plans and specifications and plat shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plat and all of the other terms and provisions hereof.

Effect of Approval

2.04. The granting of the aforesaid approval shall constitute only an expression of opinion, whether by the Developer or the Committee, that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plat; and such

approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plat or in the event that such building and/or improvements are constructed in accordance with such plans and specifications and plat, but, nevertheless, fail to comply with the provisions hereof. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof. Exercise of any such prerogative by one (1) or more members of the Committee in their capacity as such shall not constitute action by the Developer after the election of such Committee members, notwithstanding that any such Committee member may be a Director of the Developer.

III

Courts

3.01. There are shown on the aforesaid recorded plat of April Sound, Section One, certain tracts which are designated Reserves B, C, G, H, I and J which shall hereinafter be referred to as "Courts". The Developer reserves title to all such Courts. No conveyance of any lot in the Subdivision shall be held or construed to include title to or any right or interest in the Courts.

3.02. Developer reserves the right to plant, clear and landscape all or any Courts; to construct and maintain pathways and access routes for pedestrians thereon, and to utilize such tracts generally for doing any other thing necessary or desirable in the opinion of the Developer, directly or indirectly, to maintain or improve the Subdivision. The decision of the Developer with respect to the uses which may be made or permitted from time to time of the Court shall be final, so long as made in good faith. Owners of lots adjacent to such Courts may use such Courts for ingress and egress, or other purposes which the Developer may from time to time permit; and may, with the prior approval of Developer, landscape, plant grass, shrubbery or trees and may take action necessary to maintain any grass, shrubbery, trees or improvements located upon the Court to which his property is adjacent to long as such acts do not interfere with the rights reserved to Developer in this paragraph.

3.03. Each lot in the Subdivision which has a common boundary with any Court shall be and is hereby made subject to an annual "Court Maintenance Charge" except that lots not subject to an annual maintenance charge by the provisions of Article VIII shall not be subject to the "Court Maintenance Charge". The Court Maintenance Charge shall be used to create a fund to be known as the "Court Maintenance Fund" and each such Court Maintenance Charge shall be paid

by the owner of each lot annually, in advance, on or before January 1 of each year, or in the event that a lot is purchased during a calendar year, a prorata portion of said Court Maintenance Charge shall be due at the time of purchase. The exact amount of the Court Maintenance Charge will be determined by the April Sound Property Owners' Association, during the month preceding the due date of said charge, and, in addition, all other matters relating to the assessment, collection, expenditure and administration of the Court Maintenance Fund shall be determined by the Property Owners' Association.

3.04. The Court Maintenance Fund Charge shall not, without the consent of the Developer, apply to lots owned by the Developer or owned by any person, firm, association or corporation engaged primarily in the building and construction business which has acquired title to any such lots for the sole purpose of constructing improvements thereon and thereafter selling such lots; however, upon any such sale of such lots by such person, firm, association or corporation to a purchaser whose primary purpose is to occupy and/or rent and/or lease such lot (and improvements thereon, if any) to some other occupant, then the Court Maintenance Fund charge shall thereupon be applicable to such lot; and the Developer hereby consents to the applicability of said charge to each such lot under the circumstances herein stated. Any transfer of title to any lot by any such person, firm, association or corporation engaged primarily in the building and construction business to a transferee engaged primarily in the building and construction business shall not result in the applicability of said charge to such lot owned by the transferee or any succeeding transferee primarily engaged in the building and construction business without the consent of the Developer. The Developer reserves the right at all times, in its own judgment and discretion, to exempt any lot in the Subdivision from said charge, and exercise of such judgment and discretion when made in good faith shall be binding and conclusive on all persons and interests. The Developer shall have the further right at any time, and from time to time, to adjust, alter or waive said Court Maintenance Fund charge from year to year as it deems proper; and the Developer shall have the right at any time to discontinue or abandon said charge, without incurring liability to any person whomsoever by filing a written instrument in the Office of the County Clerk of Montgomery County, Texas, declaring any such discontinuance or abandonment.

3.05. The Court Maintenance Fund charges which are collected shall be paid into the Court Maintenance Fund to be held and used for the benefit of the Courts (hereinabove defined) including, by way of example but not limitation, planting and clearing, landscaping, construction and maintenance of pathways and access routes for pedestrians; and such Court Maintenance Fund may be utilized generally for doing any other thing necessary or desirable in the opinion of the Developer to maintain or improve, directly or indirectly, the Courts or Court Lots in the Subdivision. The use of the Courts Maintenance Fund for any

of these purposes is permissive and not mandatory, and the decision of the Developer with respect thereto shall be final, so long as made in good faith.

3.06. In order to secure the payment of the Court Maintenance Fund charge hereby levied, a vendor's lien shall be and is hereby reserved in the Deed from the Developer to the purchaser of each lot or portion thereof, which lien shall be enforceable through appropriate judicial proceedings by the Developer. Said lien shall exist in addition to the lien for Maintenance Charges referred to in VIII hereof and shall be of equal dignity and standing therewith. Said lien shall be deemed subordinate to the lien or liens of any Institutional Lender which hereafter lends money for the purchase of any property in the Subdivision, and/or for construction (including improvements) and/or permanent financing of improvements on any such property.

3.07. These provisions as to the Court Maintenance Fund charge and Courts shall continue in effect unless changed in the manner and at the time or times hereinabove provided for effecting changes in the restrictive covenants hereinabove set forth.

IV

Access Easements

4.01. There are shown on said map 20-foot access easements lying between each of the following lots in April Sound, Section I and connecting to Springs Edge Street:

- (a) Lots 40 and 41 and portions of Lots 39 and 42 of Block 5.
- (b) Lots 36 and 37 and portions of Lots 35 and 38 of Block 5.
- (c) Lots 32 and 33 and portions of Lots 31 and 34 of Block 5.
- (d) Lots 28 and 29 and portions of Lots 27 and 30 of Block 5.
- (e) Lots 2, 3, 4, 5, 6 and 7 of Block 3.
- (f) Lots 8, 9, 10, 11, 12 and 13 of Block 3.
- (g) Lots 14, 15, 16, 17, 18 and 19 of Block 3.
- (h) Lots 20, 21, 22, 23, 24, 25, 26 and 27 of Block 3.

(i) Lots 28, 29, 30, 31, 32 and 33 of Block 3. Said easements are for purposes of ingress and egress between each of the said Lots which borders such easement and Springs Edge Street, and no use shall be made of such easement (by parking of vehicles, creation of other obstructions or otherwise) which interferes with use of such easement for ingress and egress as aforesaid or with vehicular and pedestrian passage between such lots and said street.

4.02. There are shown on said map 20-foot access easements lying between each of the following lots in April Sound, Section I, and connecting to April Wind South Street:

- (a) Lots 15 and 16 of Block 1.
- (b) Lots 3, 4, 5, 6, 7 and 8 of Block 1.
- (c) Lots 10, 11, 12, 13 and 14 of Block 1.

Said easements are for purposes of ingress and egress between each of the said Lots which borders such easement and April Wind South Street, and no use shall be made of such easement (by parking of vehicles, creation of other obstructions or otherwise) which interferes with use of such easement for ingress and egress as aforesaid, or with vehicular and pedestrian passage between such lots and said street.

4.03. The garages and driveways of all lots enumerated in Sections 4.01. and 4.02. above shall face and open into the access easements adjacent to said lots.

V

Designation of Types of Lots

5.01. All lots in the Subdivision having a common boundary with the lake known as "Lake Conroe" as shown on the recorded plat are hereby designated as "Lakefront lots".

5.02. All lots in the Subdivision having a common boundary with any portion of the golf course as shown on the recorded plat or other sections of April Sound as platted are hereby designated as "Golf Course lots". Block 6, Lots 1 through 16, and Lots 23 through 25, are hereby designated as "Golf Course lots".

5.03. All lots in the Subdivision which have a common boundary with Reserves 'B', 'C', 'G', 'H', 'I', or 'J', as designated on the above mentioned plat of the Subdivision, are hereby designated as "Court Lots".

5.04. All lots in the Subdivision not being Lakefront Lots, Golf Course Lots or Court Lots are hereby designated as "Town and Country lots".

VI

General Restrictions

6.01. No building shall be erected, altered or permitted to remain on any lot other than one (1) detached single-family residential dwelling not to exceed two (2) stories in height and a private garage (or other covered car parking facility) for not more than three (3) automobiles and other than bona fide servants' quarters; provided however, that the servants' quarters structure shall not exceed the main dwelling in area, height or number of stories. For purposes of this instrument, the word "lot" shall not be deemed to include any portion of the following areas shown on the recorded plat: the golf course; any esplanade; and any unrestricted area shown on the plat.

6.02. The living area of the main residential structure (exclusive of porches, whether open or screened, garage or other car parking facility, terraces, driveways and servants' quarters) shall be not less than the following respective amounts for each of the designated particular types of lots:

Lakefront lots: 1,800 sq. ft. for a one-story dwelling; 2,200 sq. ft. for a two-story dwelling, with 1,200 sq. ft. thereof on the first floor provided that the aforesaid first-floor minimum area requirements may be reduced by the Architectural Control Committee if it determines that the contour of such Lakefront lot make such a reduction advisable or necessary or if required by any governmental or regulatory authority.

Golf Course lots: 1,500 sq. ft. for a one-story dwelling; 2,000 sq. ft. for a two-story dwelling, with 1,000 sq. ft. thereof on the first floor;

Court Lots: 1,200 sq. ft. for a one-story dwelling; 1,800 sq. ft. for a two-story dwelling, with 1,000 sq. ft. thereof on the first floor.

Town and Country lots: 1,200 sq. ft. for a one-story dwelling; 1,800 sq. ft. for a two-story dwelling, with 1,000 sq. ft. thereof on the first floor.

The exterior materials of the main residential structure and any attached garage (or other attached car parking facility) on all lots shall be not less than fifty-one percent (51%) masonry. A detached garage (or other detached car parking facility) may be of wood.

6.03. No building shall be located on any lot nearer to the front line or nearer to any street side line than the minimum building set-back lines shown on the aforesaid plat nor upon or within any portion of any easement. Subject to the provisions of Paragraph 6.04, no building shall be located nearer than five (5) feet to an interior side lot line, except that an attached garage or other permitted accessory building located forty (40) feet or more from the front lot line may be a minimum distance of three (3) feet from an interior side lot line. For the purpose of this covenant, eaves, steps and unroofed terraces shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of the construction on a lot to encroach upon another lot. For the purposes of this Paragraph and other provisions of these Restrictions, the "front line" of each particular type lot (as referred to herein) shall be as follows:

(a) Lakefront Lots: The common boundary of such Lot with a street.

(b) Golf Course Lots: The common boundary of such Lots with the Golf Course, unless a Golf Course Lot also has a common boundary with a street of greater than 36.00 feet, in which case the "Front line" shall be the common boundary with the street unless a deviation from this provision is approved by the architectural control authority.

(c) Court Lots: The common boundary of such Lot with any Court.

(d) Town and Country Lots: The common boundary of any such Lot with a street, and in the case of a corner lot (with a common boundary on two streets), the shorter of such boundaries.

6.04. Any owner of one or more adjoining lots (or portions thereof) may consolidate such lots or portions into one building site, with the privilege of placing or constructing improvements on such resulting site, in which case side set-back lines shall be measured from the resulting side property lines rather than from the lot lines as indicated on the recorded plat. Any such composite building site must have a frontage at the building set-back line of not less than the minimum frontage of lots in the same block. Any such composite building site (or building site resulting from the remainder of one or more lots having been consolidated into a composite building site) must be of not less than nine thousand (9,000), square feet in area (and this shall supersede any contrary provision in the Subdivision plat). Any modification of a building site (changing such building site from either a single lot building site or from a multiple whole lot building site), whether as to size or configuration, may be made only with the prior written approval of the Developer until the Committee is selected and thereafter, only with the prior written approval of the Committee. Upon any such required approval having been obtained, such composite building site shall thereupon be regarded as a "lot" for all purposes hereunder, except, however, that for purposes of voting for the Committee (as provided under Paragraph 2.b. above), an owner shall be entitled to one (1) vote for each whole lot within such owner's building site.

6.05. All lots in the Subdivision shall be used only for single-family residential purposes. No noxious or offensive activity of any sort shall be permitted, nor shall anything be done on any lot which may be or become an annoyance or nuisance to the neighborhood. No lot in the Subdivision shall be used for any commercial, business or professional purpose nor for church purposes. The renting or leasing of any improvements thereon or portion thereof, without the prior written consent of Developer, is prohibited. No tent, house trailer, camper trailer, camper vehicle or motor vehicle (or portion thereof) shall be lived in on any lot.

6.06. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, except, however, that a garage may contain living quarters for bona fide servants and except also that a field office, as hereinafter provided, may be established.

Until the Developer has sold all other lots in April Sound (and during the progress of construction of residences in the Subdivision), a temporary field office for sales and related purposes may be located and maintained by the Developer (and/or other parties authorized by Developer). The location of such field office may be changed, from time to time, as lots are sold. The Developer's right to maintain or allow others to maintain such field office (or permit such field office to be maintained) shall cease when all lots in April SOUND except the lot upon which such field office is located, have been sold. No building may be used as a field office without the prior consent of the architectural control authority (whether Developer or Architectural Control Committee).

6.07. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other common household pets may be kept as household pets provided they are not kept, bred or maintained for commercial purposes and provided they do not constitute a nuisance and do not, in the sole judgment of the Developer, constitute a danger or potential or actual disruption of other lot owners, their families or guests.

6.08. Where a wall, fence, planter or hedge is not specifically prohibited under the Special Restrictions set forth in V below, the following (as to any permitted wall, fence, planter or hedge) shall apply: No wall, fence, planter or hedge in excess of two (2) feet high shall be erected or maintained nearer to the front lot line than the front building set-back line, nor on corner lots nearer to the side lot line than the building set-back line parallel to the side street. No rear fence, wall or hedge and no side fence, wall or hedge located between the side building line and the interior lot line (or located on the interior lot line) shall be more than six (6) feet high.

No object or thing which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways within the triangular area formed by intersecting street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines (or extensions thereof) shall be placed, planted or permitted to remain on corner lots.

6.09. The drying of clothes in public view is prohibited, and the owners or occupants of any lots at the intersection of streets or adjacent to parks, playgrounds or other facilities where the rear yard or portion of the lot is visible to the public, shall construct and maintain a drying yard or other suitable enclosure to screen drying clothes from public view.

6.10. All lots shall be kept at all times in a sanitary, healthful and attractive condition, and the owner or occupant of all lots shall keep all weeds and grass thereon cut and shall in no event use any lot for storage of material or equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted, or permit the accumulation of garbage, trash or rubbish of any kind thereon, and shall not burn any garbage, trash or rubbish. All clothes lines, yard equipment or storage piles shall be kept screened by a service yard, drying yard or other similar facility as herein otherwise provided, so as to conceal them from view of neighboring lots, streets or other property. Boats, trailers and other parked vehicles are to be stored in a location no closer to the front of the lot than the front building set-back line, or in the case of a corner lot the side building line facing the street.

In the event of default on the part of the owner or occupant of any lot in observing the above requirements or any of them, such default continuing after ten (10) days written notice thereof, the Developer (until the Committee is selected, and thereafter, the Committee) may, without liability to the owner or occupant in trespass or otherwise, enter upon (or authorize one or more others to enter upon) said lot, and cause to be cut, such weeds and grass, and remove or cause to be removed such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions, so as to place said lot in a neat, attractive, healthful and sanitary condition, and may charge the owner or occupant of such lot for the reasonable cost of such work and associated materials. The owner or occupant, as the case may be, agrees by the purchase or occupation of the property to pay such statement immediately upon receipt thereof; however, the payment of such charge is not secured by any nature of lien on the property.

6.11. No sign, advertisement, billboard or other advertising structure of any kind may be erected or maintained on any lot in the Subdivision without the prior approval of the Developer; and any such approval which is granted by the Developer may be withdrawn at any time by the Developer, in which event, the party granted such permission shall immediately remove such structure.

The Developer until the Committee is selected, and thereafter, the Committee, shall have the right to remove and dispose of any such prohibited sign, advertisement, billboard or advertising structure which is placed on any lot, and in so doing shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal nor in any way be liable for any accounting or other claim by reason of the disposition thereof.

6.12. The digging of dirt or the removal of any dirt from any lot is expressly prohibited except as necessary in conjunction with the landscaping of or construction on such lot. No trees shall be cut or removed except to provide room for construction of improvements or to remove dead or unsightly trees.

6.13. No outside aerial, pole or other device shall project above the highest ridge of the house by more than fifteen (15) feet.

6.14. No lot or other portion of April Sound shall be used or permitted for hunting or for the discharge of any pistol, rifle, shotgun, or any other firearm, or any bow and arrow or any other device capable of killing or injuring.

6.15. Driveways shall be entirely of concrete (except however, some other material may be used with the prior permission of the Developer or of the Committee after it is chosen) and shall be constructed with a minimum width of nine (9) feet with expansion joints not more than twenty (20) feet apart, with one joint at the back of the street curb. The width of each driveway may flair to a minimum of sixteen (16) feet and the curb shall be broken in such manner that the driveway may be at least four (4) inches thick at its end toward the street paving, and this extreme shall be poured against a horizontal form board to reduce the unsightly appearance of a raveling driveway.

6.16. No outside toilets will be permitted, and no installation of any type of device for disposal of sewage shall be allowed which would result in raw or untreated or unsanitary sewage being carried into any water body. No septic tank or other means of sewage disposal may be installed unless approved by the proper governmental authorities having jurisdiction with respect thereto and the Developer.

6.17. No oil drilling, oil development operations, oil refining, or mining operations of any kind shall be permitted upon any lot, nor shall any wells, tanks, tunnels, mineral excavations or shafts be permitted upon any lot. No derrick or other structure designed for use in boring for oil, or natural gas, shall be erected, maintained or permitted on any building site. At no time shall the drilling, usage or operation of any water well be permitted on any lot.

6.18. Neither the Developer, nor its successors or assigns, shall be liable for any loss of use of or damage done to any shrubbery, trees, flowers, improvements, bulkheads, piers (or any vessels attached thereto), fences, walls or buildings of any type or the contents thereof on any lot whatsoever in the subdivision (whether or not any part thereof lies between said elevations) caused by changes in the water level of Lake Conroe.

VII

Special Restrictions

7.01. In addition to the General Restrictions set forth in IV above, the following restrictions shall apply to Lakefront lots:

- a. No pier or other structure (other than a bulkhead, as hereinafter referred to) shall be permitted which projects beyond the lot line or into the water (whether within or outside of the lot line).
- b. A bulkhead may be constructed at the water's edge without a dock, provided that the plans and specifications for such bulkhead have been approved by the Developer (or Architectural Control Committee, if selected) and such bulkhead is thereafter constructed in strict compliance with such plans and specifications.
- c. No improvements may be constructed between the lake shore and a line parallel to and 15 feet away from the common boundary between the lot and the lake bottom owned by the San Jacinto River Authority (such common boundary shall hereafter be called the "rear lot line") except that, with prior approval of the architectural control authority (whether Developer or Architectural Control Committee) a bulkheaded boat slip or place of mooring constructed at an indentation into such lot shall be permitted.
- d. Any garage must be attached to the main residence and must be no nearer to the rear lot line than fifteen (15) feet. This requirement for an attached garage supersedes any contrary requirement in VI above.
- e. No wall, fence, planter, hedge or other improvement extending over four feet (4') above grade level except a drying yard shall be constructed or permitted between the rear of the house and the rear lot line.

In addition to being approved by the Developer (until the Architectural Control Committee is selected; and thereafter such Committee), all plans for buildings and improvements on these lots must also satisfy the requirements of and be approved in writing in the form of a permit by the San Jacinto River Authority ("SJRA"); and no such building or improvement shall be erected or permitted on any such lot unless same complies strictly with plans and specifications which have been approved as aforesaid.

7.02. In addition to the General Restrictions set forth in IV above, the following restrictions shall apply to Golf Course lots:

a. Only underground electric service shall be available for said lots and no above surface electric service wires will be installed outside of any structure. Underground electric service lines shall extend through and under said lots in order to serve any structure thereon, and the area above said underground lines and extending 2½ feet to each side of said underground line shall be subject to excavation, refilling and ingress and egress for the installation, inspection, repair, replacing and removing of said underground facilities by such utility company; and owners of said lots shall ascertain the location of said lines and keep the area over the route of said lines free of excavation and clear of structures, trees or other obstructions.

b. No wall, fence, planter, hedge (or other improvement or object serving a like or similar purpose) shall be constructed or permitted without the prior written consent of the Developer. In no event shall the Developer approve any of the aforesaid along or near any 10: line.

c. Any garage must be attached to the main residence and must be not nearer to the common boundary separating such lot from the golf course than twenty (20) feet. This requirement for an attached garage supersedes any contrary requirement in IV above.

d. All houses built on Golf Course Lots which have less than 32.00 feet of frontage on a street shall face the Golf Course unless a deviation from this provision is approved by the Developer or the Architectural Control Committee, after it is chosen.

7.03. In addition to the general restrictions set forth in V above, the following restrictions shall apply to Court Lots:

(a) All houses built on Court Lots shall face the Court which the Lot adjoins unless a deviation from this provision is approved by the Architectural Control Committee, after it is chosen, or by the Developer prior to the election of the Architectural Control Committee.

(b) Contemporaneously with or prior to completing any house on any Court Lot, the Building or Owner shall, at such party's expense, construct a concrete sidewalk, not less than four (4) feet wide running along and adjoining the entire common boundary of such Lot with the Court.

VIII

Maintenance Fund

8.01. Each lot (or residential building site) in the Subdivision shall be and is hereby made subject to an annual maintenance charge, except as otherwise hereinafter provided.

8.02. The maintenance charge referred to shall be used to create a fund to be known as the "Maintenance Fund"; and each such maintenance charge shall (except as otherwise hereinafter provided) be paid by the owner of each lot (or residential building site) annually, in advance, on or before January 1st of each year, beginning 1973.

8.03. The exact amount of each maintenance charge will be determined by the Developer during the month preceding the due date of said maintenance charge. All other matters relating to the assessment, collection, expenditure and administration of the Maintenance Fund shall be determined by the Developer, subject to the provisions hereof.

In addition to the maintenance charge herein referred to and the Court maintenance charge, if applicable, each lot shall be subject to a monthly charge for street lighting services; such charge will be included in the monthly bill for residential electric services from Gulf States Utilities Company to each lot owner and shall be in addition to all other charges which such lot owner may incur for electric service. The exact amount of the street lighting charge will be determined by Gulf States Utilities Company, and without limiting the right of Gulf States Utilities Company to establish a different amount in the future, the initial monthly street lighting charge shall be Fifty Cents (\$.50).

8.04. The maintenance charge shall not, without the consent of the Developer, apply to lots owned by the Developer or owned by any person, firm, association or corporation engaged primarily in the building and construction

business which has acquired title to any such lots for the sole purpose of constructing improvements thereon and thereafter selling such lots; however, upon any such sale of such lots by such person, firm, association or corporation to a purchaser whose primary purpose is to occupy and/or rent and/or lease such lot (and improvements thereon, if any) to some other occupant, then the maintenance charge shall thereupon be applicable to such lot; and the Developer hereby consents to the applicability of the maintenance charge to each such lot under the circumstances herein stated. Any transfer of title to any lot by any such person, firm, association or corporation engaged primarily in the building and construction business to a transferee engaged primarily in the building and construction business shall not result in the applicability of the maintenance charge to such lot owned by the transferee or any succeeding transferee primarily engaged in the building and construction business without the consent of the Developer. The Developer reserves the right at all times, in its own judgment and discretion, to exempt any lot in the Subdivision from the maintenance charge, and exercise of such judgment and discretion when made in good faith shall be binding and conclusive on all persons and interests. The Developer shall have the further right at any time, and from time to time, to adjust, alter or waive said maintenance charge from year to year as it deems proper; and the Developer shall have the right at any time to discontinue or abandon such maintenance charge, without incurring liability to any person whomsoever by filing a written instrument in the office of the County Clerk of Montgomery County, Texas, declaring any such discontinuance or abandonment.

8.05. The maintenance charges collected shall be paid into the Maintenance Fund to be held and used for the benefit, directly or indirectly, of the Subdivision; and such Maintenance Fund may be expended by the Developer for any purposes which, in the judgment of the Developer will tend to maintain the property values in the Subdivision, including, but not by way of limitation: providing for the enforcement of the provisions of this instrument, including the aforesaid Reservations, Restrictions and Covenants; reasonable compensation and reimbursement to the Developer and members of the Committee with respect to services performed by such Developer and Committee members incident to their duties hereunder; for the maintenance, operation, repair, benefit and welfare of any recreational facilities which might hereafter be established in April Sound; and generally for doing any other thing necessary or desirable in the opinion of the Developer to maintain or improve the property or the Subdivision. The use of the Maintenance Fund for any of these purposes is permissive and not mandatory, and the decision of the Developer with respect thereto shall be final, so long as made in good faith.

8.06. In order to secure the payment of the Maintenance Charge hereby levied, a vendor's lien shall be and is hereby reserved in the Deed from the Developer to the purchaser of each lot or portion thereof, which lien shall be enforceable through appropriate judicial proceedings by

the Developer. Said lien shall be deemed subordinate to the lien or liens of any bank, insurance company or savings and loan association ("Institutional Lender") which hereafter lends money for the purchase of any property in the Subdivision, and/or for construction (including improvement) and/or permanent financing of improvements on any such property.

8.07. These provisions as to the Maintenance Charge and Maintenance Fund shall continue in effect unless changed in the manner and at the time or times hereinabove provided for effecting changes in the restrictive covenants hereinabove set forth.

8.08. There shall be included in the Maintenance Charge levied upon each lot a sum to be determined by the Board of Trustees of April Sound Property Owners' Association (hereinafter referred to as the "Property Owners' Association") which amount shall be paid by the Property Owners' Association to April Sound Recreational Corporation, pursuant to the terms of the contract between them, the payment of which will entitle the Owner of each lot to the use of the Marina, Clubhouse, Equestrian Center, swimming pool and other recreational facilities. Such portion of the Maintenance Charge shall be known as the "Recreational Charge" and shall, along with all other portions of the Maintenance Charge be secured by the lien referred to in Paragraph 8.06 hereof. The Owner of each lot, the Maintenance Charge on which is current and not delinquent, shall be a member in good standing, for the particular month for which such charge is current as aforesaid, of the April Sound Social Club, as that club is organized pursuant to the By-Laws of the April Sound Social Club, Inc., and shall, subject to the good behavior and compliance by the Property Owner with the provisions of the By-Laws, Rules and Regulations applicable to such facilities, be entitled to entry into the Clubhouse (including its dining room facilities) and use of the swimming pool, use of launching facilities at the marina and use of bridle trails, all as may be regulated by the Board of Directors of the April Sound Recreational Corporation, and such other facilities as may from time to time be designated by the Board of Directors of the April Sound Recreational Corporation as covered by such Recreational Charge. Unless and until otherwise determined by the Board of Directors of April Sound Recreational Corporation, neither membership in the April Sound Social Club, Inc. nor payment of the Maintenance Charge nor Recreational Charge nor any other term or provision of these Restrictions shall entitle the Property Owner to use of the Golf Course, Tennis Center or any other recreational facility except as expressly stated above. The April Sound Recreational Corporation may make reasonable charges for storage of boats at the marina, and stabling of horses at the Equestrian Center. The exact amount of the Recreational Charge shall be determined by the Board of Directors of the April Sound Recreational Corporation during the month preceding the due date of said Maintenance Charge. All other matters relating to the assessment, collection, expenditure administration of the Maintenance Fund and the Recreational Charge included therein shall be determined by the Board of Trustees of the Property Owners' Association.

8.09. Each lot in the Subdivision (except those lots not subject to an annual Maintenance Charge by the provisions of Article VIII hereof) on which a residence has not been constructed or on which construction of a residence is not actively under way, shall be and is hereby made subject to the "standby utilities fee" in the amount of Five Dollars (\$5.00) per month which shall be paid by the Owner of each lot annually, in advance, on or before January 1st of each year, beginning 1973. In the event that a lot is purchased during a calendar year, a pro rata portion of the utility standby fee shall be due at the time of purchase. In the event that construction is begun during a calendar year, a pro rata portion of the utility standby fee previously paid shall be reimbursed to the Owner of the lot.

8.10 Without limiting the right of the Board of Trustees of the Property Owners' Association to determine and assess the exact amount of the Maintenance Charge and Recreational Charge, it is contemplated that the initial Maintenance Charge (including the Recreational Charge) shall be Twelve Dollars (\$12.00) per month. ...

8.11 The Board of Trustees of the April Sound Recreational Corporation may, at its discretion, admit to membership persons other than owners of property in April Sound, Section One, upon the payment of admission fees and monthly dues as determined by the Board of Trustees. The Board of Trustees of April Sound Recreational Corporation may create such other clubs within April Sound Recreational Corporation as they might deem desirable, and may charge a membership fee and monthly dues to the members of such clubs, whether such members are property owners or not.

IX

Transfer of Functions of the Developer

9.01. The Developer may at any time hereafter cause a non-profit corporation to be organized under the laws of the State of Texas for the purpose of exercising all or any of the duties and prerogatives of the Developer hereunder (including the matters relating to Maintenance Charges and all Maintenance Funds). Any such delegation of authority and duties shall serve automatically to release the Developer from further liability with respect thereto and vest such duties and prerogatives in such non-profit corporation. Any such delegation shall be evidenced by an instrument amending this instrument, placed of record in the Deed Records of Montgomery County, Texas, and joined in by the Developer and the aforesaid non-profit corporation but not, however, requiring the joinder of any other person in order to be fully binding, whether such other person be an owner of property in the Subdivision, a lienholder, mortgagee, Deed of Trust beneficiary or any other person.

X

Binding Effect

10.01. All of the provisions hereof shall be covenants running with the land thereby affected. The provisions hereof shall be binding upon and inure to the benefit of the owners of the land affected and the Developer and their respective heirs, executors, administrators, successors and assigns.
